

# Save The Date

Hello and happy spring!

We are reaching out to our die-hard group that have traveled the highways and backroads with us on our many Road Tours through the years' to give you a peek at our latest plans for 2022. We hope you had a great time on last years' Tour to Lake Havasu City. We definitely enjoyed some of the best weather we have ever had all week and took in some great Tour Stops.

We're still putting the final details together for our Tour later this year, but we can tell you that we'll be departing San Antonio on Sunday, September 4th, and our final destination will be the Goodguy's Colorado Nationals in Loveland, Colorado. We are putting together some great stops along the way, including a group trip on the famed Cumbres and Toltec narrow gauge steam railroad. It will definitely be another fun-filled week! The fall weather worked out well last year and we're counting on a repeat.

We will be sending out more details in the coming weeks, so if you might be interested in joining us please send us a quick email and we'll keep you in the loop.

We are really looking forward to getting back on the road this year. We hope you can join us!
