The National Chapter of the Reguladores Law Enforcement Motorcycle Club is sponsoring a car cruise to the Texas State Capital in Austin Texas. We are looking for the hottest of the hottest and most exotic cars to give kids battling cancer a cruise they will not soon forget. Kids from all around the country are brought to Texas for a week of Texas History and fun in the sun. The trip is provided by the Sunshine Kids Organization. On Wednesday June 5, 2024 the Reguladores LEMC will be hosting the cruise that is police escorted from San Marcos to Austin, Texas. We are looking for people to join us and give the kids a ride and a day they will never forget. There is no cost for the cruise and it is open to any and all makes and models of cars. We do ask that all cars be registered, insured, in good running condition, with a high quality car show shine with no damage or works in progress. No Commercial advertisement allowed on cars.

If you are interested in being a driver for a child or medical staff please contact us. For more information on the event or the Sunshine Kids Org. please contact Michael Marr of the Reguladores Law Enforcement Motorcycle Club at chickenlittleusa@gmail.com or visit sunshinekids.org
